## Short Row Wedges Blanket

Knit sample shown in colorway Glacier Lakes

This blanket is worked in strips of short rowed wedges, alternating 3 yarns. The yarns can be three different yarns of the same colorway or three colorways of the same yarn. The first will give a rich, textural result, the latter, a splashy play of color.

**Size:** approximately 36 inches x 36 inches

### **Materials:**

CCF **Etosha** – 3 skeins 50 g. ~ 220 yds.  
(note: Etosha is held doubled throughout)  
CCF **Kilimanjaro** – 3 skeins 100 g. ~ 121 yds.  
CCF **Shira** – 6 skeins 50 g. ~ 86 yds.

### **Multicolor:**

Curious Creek Fibers Nakuru in Glacier Lakes, Anemone, and Tilting the Gizmo

### **Gauge:**

13 sts/24 rows = 4 inches in garter stitch  
(Gauge is not critical, provided that your gauge is roughly equal between yarns. If you are having trouble with one yarn being bigger, try going down a needle size or two when knitting with that yarn).
